It's a snow day, and Buddy is deciding which tasks he can do from under a blanket....

Question 1: It's a snow day, and Buddy is deciding which tasks he can do from under a blanket. Can you find all tasks that are either marked as 'Work From Home' or 'Low Priority' so he can stay cozy and productive?

```
SELECT
  * from
daily_tasks
where (task_type='Work From Home' or priority='Low');
```
