Every year, the city of Whoville conducts a Reindeer Run to find the best reindeers for Santa's Sleigh....

Question 1: Every year, the city of Whoville conducts a Reindeer Run to find the best reindeers for Santa's Sleigh. Can you write a query to return the name and rank of the top 7 reindeers in this race?

```
select name, rank  
from reindeer_run_results  
order by rank  
limit 7;
```
