Frosty wants to know how many unique snowflake types were recorded on the December 24th, 2025 storm....

Question 1: Frosty wants to know how many unique snowflake types were recorded on the December 24th, 2025 storm. Can you help him?

```
select count(DISTINCT flake_type) as snowflake_types  
FROM  
snowfall_log  
where DATE(fall_time)='2025-12-24' ;
```
